

December 2010 - Stretching the boundaries of Islamic Finance: the Russian initiative

Alberto Brugnoli will deliver a presentation at the conference on "Islamic Finance: Prospects for Development in Russia" to be held in Moscow on 14 Dec 2010. The event is organized by the Moscow Times, VTB Capital and KPMG and will gather bankers, legal and tax experts and representatives of the civil society

Alberto will also give a lecture on Islamic finance at the 'Finance University under the Government of the Russian Federation' - the training school of the Russian Central Bank and the Ministry of Finance - on 15 Dec 2010

Russia enjoys the status of permanent observer at the Organization of Islamic Conference (OIC) since 2005 and is developing a strategic interest in Islamic finance
